Accessible for wheelchairs up to 26" wide. Guests using motorized scooters or wheelchairs wider than 26" (which includes zoo rental wheelchairs) have the option of being assisted by a member of their party into an appropriate-sized wheelchair (available at the monorail platform) or, if possible, onto a monorail seat. Guests who are able must transfer to the ride vehicle seating with assistance from another member of their party. Ride attendants may not assist.

Guests may remain in their Electric Convenience Vehicles (ECVs) or motorized wheelchairs throughout the attraction experience.

Guests must transfer to a manual wheelchair. Transfer wheelchair available at site. Zoo staff are not permitted to physically transfer guests from wheelchairs.
