Accessibility Information Map

Wheelchair Access

Building Access: All buildings are wheelchair accessible.

Rides Access: Rides have specific boarding requirements and accommodations for guests using wheelchairs. Guests may need assistance from a member of their party to transfer from their wheelchair onto a ride system in order to fully utilize the attraction.

Please note: Zoo staff are not permitted to physically transfer guests from wheelchairs.

Wild Asia Monorail

Seasonal: May – Oct

Accessible for wheelchairs up to 26" wide. Guests using motorized scooters or wheelchairs wider than 26" (which includes zoo rental wheelchairs) have the option of being assisted by a member of their party into an appropriate-sized wheelchair (available at the monorail platform) or, if possible, onto a monorail seat. Please ask a staff member at the entrance for information.

Bug Carousel

Accessible for manual wheelchairs.

Nature Trek

Wheelchair accessible route through towers/bridges and nature play zone. (ECVs not permitted.)

Dinosaur Safari

Temporary exhibit: April 19 - Nov 3, 2019

Lift (max 600lbs) for loading onto the ride wagon can accommodate standard wheelchairs and small electric wheelchairs, but not Electric Convenience Vehicles (ECVs) or heavy electric wheelchairs. Due to the 4-wheel, heavy-duty construction of zoo rental ECVs, they cannot be loaded onto the lift. Transfer chair available on site.

Zoo Shuttle

Seasonal: April – Oct

(closed Wednesdays July & August; weekends only Sept & Oct)

Can accommodate standard wheelchairs and most electric wheelchairs or small scooters, but not Electric Convenience Vehicles (ECVs). Due to the 4-wheel, heavy-duty construction of zoo rental ECVs, they cannot be loaded onto the shuttle.

Some attractions are seasonal. Availability also subject to unforeseen conditions such as weather, capacity, or mechanical or animal-related issues.

Access Symbol Descriptions

Guests may remain in their standard wheelchair throughout the attraction experience. This does not apply to Electric Convenience Vehicles (ECVs) or motorized wheelchairs at any of the ride attractions.

Guests may remain in their Electric Convenience Vehicles (ECVs) or motorized wheelchairs throughout the attraction experience.

Guests who are able must transfer to the ride vehicle seating with assistance from another member of their party. Ride attendants may not assist.

Guests must transfer to a manual wheelchair. Transfer wheelchair available at site. Zoo staff are not permitted to physically transfer guests from wheelchairs.

Service Dogs

Guests who rely on a service dog may bring it into the zoo, provided that the animal remains properly harnessed/leashed and under the control of their handler at all times. Upon arrival, guests must check in with Admissions and receive a service animal admission form. Guests are solely responsible for the care and control of their service animal.

Welcome!

Thank you for visiting the Bronx Zoo. This handout provides general information about the accessibility of zoo grounds and exhibits.

Please use it along with the Zoo Map for complete information regarding exhibits and rides.
