+ Nature Scavenger Hunt

Discover nature, be it from your window or your backyard!

Use this scavenger hunt to go on your own quest and see how many different pieces of nature you can spot. What do you notice about the nature you see? What do you wonder?

+ Level up!

Make it a contest by challenging a friend to go on a nature scavenger hunt too. When you're both done, meet up virtually to compare!

NATURE SCAVENGER HUNT

Each time you find something, make a mark in the box next to the picture!

		Insect or spider			Animal track
		Place where a bird could hide			Something smooth
		Berry or seed			Hole in a tree
		Plant that is about as tall as you			Rock bigger than a baseball
		Mammal (Ex: a dog or squirrel)			Something rough
		Leaf with pointy edges			Something that a bird could use to make a nest
		Animal making a noise			Spider web
		Something a bird could eat			Something brown
		An animal nest			Something green
		Place where an animal could get water			Something tiny
